

Patient, Facility, & Caregiver Benefits

- Infinitely adjustable tilt makes it quick and simple to reposition the user
- Designed for safety, stability, and reduced risk of injury
- Provides stimulation and contentment - excellent for memory care

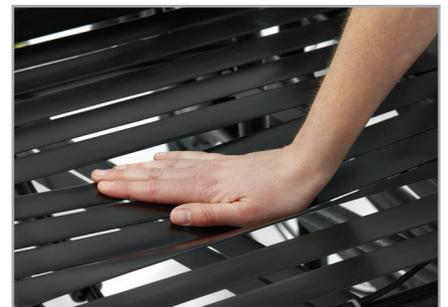

Dynamic rocking feature helps calm agitation and absorb rigid movements

Posterior tilt improves posture and redistributes pressure

Front-pivot seat tilt enhances visual orientation, and encourages self-mobility with proper heel strike

Comfort Tension Seating® improves postural support and sitting tolerance

Enhanced Mobility & Freedom for Memory Care
